

# Why I am Voting for Trump

**Psalm 97:10; Hebrews 1:9; Proverbs 14:34**

**Introduction:** If we say that we love God and that we are born again then we must hate what God hates and we cannot compromise on this. Our hatred of what God hates must be shown in our right to vote and who we vote for. One cannot vote for a candidate that is for anything that God hates if they love God. Therefore, here is why I am voting for Donald Trump.

## 1. God hates the shedding of innocent blood:

- a. Former Vice President Biden is for abortion, to include late term abortion. He has stated that he will protect Roe V. Wade and ensure that abortion is part of the affordable care act (Obama Care).
- b. Proverbs 6:16-19; Deuteronomy 12:31
- c. President Trump has appointed pro-life judges, stopped the flow of taxpayer-funds to abortion providers, and defended the unborn abroad.
- d. February 2019: The Protect Life Rule was finalized, cutting Planned Parenthood's Federal funding by \$60 million.
- e. Many of the people who support and perform abortions are making money from this horrid industry:
- f. Deut. 27:25; 2 Kings 24:3-4
- g. "Cursed is anyone who accepts money to kill an innocent person." All the people will reply: "We agree!" (Common English Bible)
- h. God will not answer the prayers of people who engage in or support such activities – Isaiah 1:15; 59:1-4

## 2. The Issue of Homosexuality:

- a. Let us state right out that we do not endorse violence or discrimination against anyone, to include homosexuals. All have sinned and come short of God's glory.
- b. However, the problem with "gay rights" goes beyond simple protections against them that are due to every US citizen. It is the appointment of activist judges by the Democrat party that hinders Christians from being able to exercise their freedom of religion.

- c. During the Obama administration we saw pastors persecuted by mayors for preaching against homosexuality. We saw people fired from government posts for their stand on this and we saw businesses sued for following their consciences.
- d. We heard activist judges tell people that gay rights trump religious freedom.
- e. In 2019, President Trump opposed the “Equality act” or the LGBTQ bill that would have crushed religious liberty.
- f. “Trump protected religiously affiliated medical groups from having to pay for transgender surgery — an experimental and divisive medical operation that Obamacare appeared to mandate businesses must cover in insurance.” (PJ Media)
- g. Biden said, “... I will immediately reverse discriminatory practices that Trump put in place and work to advance the rights of LGBTQ+ people widely,” (Philadelphia Gay News)
- h. Under Biden, ministries and Christian schools and businesses will be forced to hire homosexuals.
- i. The Bible is clear that homosexuality is an abomination unto the Lord:
- j. Leviticus 18:22-25; 20:13
- k. “Laws are intended for people involved in sexual sins, for homosexuals, for kidnappers, for liars, for those who lie when they take an oath, and for whatever else is against accurate teachings.” (1 Timothy 1:10; God’s Word Translation)

### 3. The Anti-God Agenda of the Democrats:

- a. In 2012, the Democrat Convention literally booed God as legislation was being suggested to “to insert the words ‘God’ and ‘Jerusalem’ back into the Democratic Party's platform.”
- b. Democrats have done everything from stating that Christians are unfit for government office and suggesting removing the tax exemption to Christian churches and organizations.
- c. Democrats have placed limits on churches meeting during the pandemic while allowing protests that have led to violence and looting.
- d. Psalm 9:17; Jer. 3:21
- e. If we vote with anti-God Democrats then we are complicit in their sin.

- f. People believe that just because someone is Black that they must vote Democrat. This is due to the lie that Republicans are the party of racism.
- g. The News Media has fed this lie. Yet, history has shown that the Democrat party is the party of racism. It birthed the KKK, it fought against Civil Rights, and introduced abortion in the Black community as a way to eliminate us.
- h. Joe Biden record of racism is very strong but guarded by the media while they continue to spread lies about Trump who has not been proven to be racist. His record proves just the opposite.
- i. However, before I am Black, I am a follower of Christ. I refuse to engage in victim-hood and skin color idolatry. I must vote based solely on Biblical values. Therefore I cannot vote Democrat and that is why I am voting for President Trump.

**Conclusion:** Above are my reason for voting for President Trump. I cannot tell anyone else what to do, but as a pastor and a servant of the Lord Jesus Christ, I must explain my heart and explain why all should follow me in my voting habit. However, the choice remains with each person..
